(<http://bayside.sd63.bc.ca/course/view.php?id=68>)

The regular monthly meeting of the Bayside Middle School PAC was called to order by Nancy Borden at 7:00 PM on May 29, 2012.

Present: Nancy Borden, Trish Mar, Shirley Elm, Ina Smith, Dana Matheson, Christine Kenwood, Kim Cole, Patricia Wall.

Approval of Agenda: Motion: Patricia Wall
Second: Christine Kenwood
Motion carried

Approval of Minutes: Motion: Nancy Borden
Second: Christine Kenwood
Motion carried

Principals report:

-Vivian Hicks (Bayside librarian) was present and spoke to say thank you for previous gifts to library. This year due to strike action, only 560.00 of the 2000.00 funded by PAC to the library was used. She is interested in using the remaining dollars towards creating a 'Library Learning Commons'. This would make the library a more desirable place to study. It would involve changing shelving, removing some, replacing others. Also purchase of computers and stations etc.

At this point it is in the very early stages of research and planning as to what it would entail/cost to create such a space.

-The GYM floor is slated to be replaced this summer despite the fact that the roof continues to leak. There is concern the leaking roof will damage the new floor.

MOTION: That Nancy will write a letter on behalf of the PAC that the issues with the gym roof be further pursued before the gym floor is replaced.

Motion : Ina Smith
Second: Patricia Wall
Motion carried

-Existing bleachers are going to be fixed up and also likely moved to a slightly different spot in the gym.

-Traditionally, Bayside has had Gr.8 awards in the evening so that parents can attend. However, this year due to strike action, they will be held at the school on the AFTERNOON of Wednesday, June 27 at 1:15 P.M.

-Shirley has applied to have Bayside become an 'Infusion Champion' school

(<http://community.artsinfusion.ca/faq> "Infusion: Arts in Education is an intensive and sustained professional learning program for artists and educators focused on arts integration in schools across BC. Its purpose is to encourage and assist teachers in their commitment to promoting arts integration based practices in their classrooms." More info is on the website. It seems a great program as due to declining enrollment we are losing a lot of art in our school.

This program is free in year1, but there is a cost for the next 2 years of 3000.00/yr. PAC would likely be asked to fund this if it goes through.

-Sadly we are losing Ken Bergeron as Vice Principal-he will be moving to Royal Oak. Due to declining enrollment we will not be getting a replacement for Ken.

-Happily Steve Newlove will be staying on as vice-principal.

Question: From Nancy regarding why cheques for tickets to the Gr 8 farewell are to be made out to SD63 as opposed to Bayside PAC? Shirley will find out whether cheques will be made out to SD 63 or PAC for grade 8 farewell.

Question: regarding the residual funds from last year's Gr.8 farewell. They had charged 15.00 and there was leftover \$\$\$. This year they are again charging only 10.00.

Presidents Report:

-Nancy went to the BCCPAC AGM and found it quite interesting. She brought in material from the event(resolutions, nominees etc).

-At the conference our school district was held up as being a good example of being proactive regarding wi-fi in schools.

-More info will be posted on the BCCPAC website soon. (<http://www.bccpac.bc.ca/>)

-As Nancy is also on COPACS they funded her trip to the conference.

-Nancy also noted that as we are considered a distant SD that we can receive a travel subsidy from BCCPAC to attend the conference.

VP Report: - Jan Townsend from B&G club is to hold two more sessions about caring for our kids. One is about 'Parenting in the cyber age', another is called 'summers out', and is about whether our kids are ready to be home alone etc. Info is posted on Baysides website.
