

Un Grand Merci!

Thank you for your continued support of our magazine drive. As our only fundraiser, the money we raise at this time goes directly back to both French Immersion and English students in the form of French cultural events and resources.

We're picking the draw prize winner during our Nov. 14th meeting! Come out and see if you've won.

Congratulations to our top sellers:
 Bayside/Stelly's – Tatum Wakefield
 Deep Cove – Cameron Talstra
 Keating – Johnathan Nakata

Reward prizes were distributed by CPF volunteers this week.

Fundraising Monies At Work

English and French immersion students at *Keating and Deep Cove* welcomed the bilingual artist "WILL STROET" to their schools last month with lots of singing, dancing, and clapping. This is the type of cultural program we support with monies raised during our Magazine Drive.

This month CPF is bringing *Bayside FI students* a performance by Francophone magician and motivational speaker, Marc Tardif. Through good humour and fantastic illusions, "The MAGIC is in YOU!" will illustrate to our students the power of inner gifts and talents and how to overcome the main obstacles that stop us from reaching our full potential.
