

CPF-Saanich Kindergarten / Grade 12 Gift Exchange

Founded in our district, this special celebration is gaining popularity with other CPF Chapters around the province.

This beloved event was created 19 years ago with the idea of *celebrating* the success of graduating French immersion students and *welcoming* a new generation of French language learners.

This year's Gift Exchange will be held on April 24th, 2012. Participants are asked to arrive at Stelly's Secondary by 6pm for sign-in.

Would you consider helping us to organize next year's event? Our K/12 event coordinator is unable to continue next year. We are looking for someone to learn the role for next year.

In the month of March alone we posted lots of information, including:

- the location of a website that allows families to organize an exchange with other families in Canada or abroad;
- how to use your Greater Victoria library card to access free online language courses (French, German, Italian, Spanish, even Pirate);
- a notice of the Victoria French Fest held in downtown Victoria; and
- a link to TumbleBooks (where you and your child can listen and read French stories while following along with the images).
