Hello, Thanks, Farewell and here's to summer!

It's that time of year to share thanks, *say farewell* and look forward to our holidays and a new school year!

It has been a busy and sometimes a challenging year for PAC and yet much has been achieved, despite the late start to the school year. Our key achievements were highlighted in our previous newsletter, so if you missed that, do check back on the Bayside website under "Parents – PAC news" to learn details.

Drum roll please for the following teachers that are retiring from Bayside – we all send our **grateful thanks** and have presented gifts on behalf of PAC to:-

[Patrice Christinel](#), [Colette Caron](#) and [Elizabeth Hooke](#) - Good luck / Bon chance we will miss you!

Immense thanks and farewell are sent to our President, [Wayne Spencer](#) and VP [Denise Tidman](#) who are stepping down from these roles having led the work of PAC during the past two years. An amazing amount of work has been achieved and a very healthy bank balance has been left to continue the sterling efforts on behalf of all our students at Bayside Middle school. We hope we can still persuade Wayne to help us out from time to time during the next school year.

PAC presented a delicious **staff and teacher appreciation** lunch during May 2015.

Special thanks to PAC members Denise, Tora and Alice who took time away from their busy schedule to deliver and serve the lunch (and others who worked behind the scenes with respect to the planning.) Our gratitude to those families that supplied a variety of yummy desserts.

Say it with flowers...

Thanks to our PAC **Fund Raiser** coordinator, Liza Glynn for arranging TWO recent fund raising events to support the school library.

New shelving is now available thanks to all of you who made donations or participated in the Mother's and Father's Day fundraiser activity.

Staff and Teacher Appreciation Lunch - May 2015

Liza Glynn who led our recent fund raising efforts to assist the school library.

Thank you and a big shout out to Gillian who has managed the Pizza Day sales for PAC during the past two years. Much money has been raised via this program and many activities have been supported from the profit. Sadly this activity will no longer be managed at Bayside by PAC but rather it will be led directly by the school with support from various parents. This will have a direct impact on our available finances and affect a variety of activities that we have supported in the past.

We will be reviewing the precise details of how this will impact our budget and also determining what other NEW fund raising event we can line up to replace this shortage in our revenue. We welcome your suggestions, ideas and support.

At the PAC AGM a **new group of parents** were voted to represent PAC during the 2015-2016 school year. Please join us and send a huge welcome to the new representatives of PAC – we wish you good luck.
