TD Friends of the Environment Foundation, in celebration of Canada's $150^{\text {th }}$ next year will be supporting revitalization and stewardship of public green spaces in the amount of up to $\$ 20,000$. She has consulted with Wendy MacDonald regarding some options and she has proposed a Longhouse Outdoor classroom and Native perennial garden that will encourage land based learning and intercultural friendships. All students will have the opportunity to take part in the design and can have input into the layout of the outdoor classroom. Her cost estimate would be $\$ 5000$ for materials, $\$ 3000$ for plants and $\$ 2000$ for honorariums for elders advice. She proposes we ask for $\$ 16,000$ from the TD Friends of the Environment, she is asking for $\$ 3000$ from PAC and $\$ 1000$ from the Fruit Growers Association grant from last year. ## Vice Chair Report - Lori Smith

I would like to give a very warm welcome to all the new grade 6 parents at Bayside and to everyone returning as well. Last year was a transition year for the PAC where we had to look at our purpose and goals for the future. We have come up with a very exciting road map of what we want our PAC to look like and I am looking forward to our year. So, before we begin the year it is important to look at some of the rules that we are governed by.
The PAC is governed by a constitution and bylaws, they are located on the PAC website, and the link is here:
https://bayside.sd63.bc.ca/mod/folder/view.php?id=2934
It is really important that you have a look at this document. The PAC is a parent run committee and all parents in the school are members. We have a code of ethics and rules governing our meetings. So please take a look.
Section 2 is our purpose; the PAC currently has listed 8 items on our purpose.

## SECTION 2: PURPOSE

1. To promote effective communication between the home and school.
2. To promote improvements in the educational program, facilities and atmosphere of Bayside Middle School with a view to enhancing the school experience.
3. To encourage parents/guardians to participate in meaningful educational activities and decision making.
4. To strengthen the role of families in education.
5. To organize PAC activities and events.
6. To contribute to the effectiveness of the school by promoting the involvement of parents/guardians and other community members.
7. To advise the principal and staff on parents views on any matter relating to the school programs, policies, plans and activities.
8. To provide financial support for the goals of the Council, as determined by the membership.

When we had our visioning it was interesting to see how each one of these purpose statements was a priority for different people on the PAC. As we make our decisions and move forward we need to keep these 8 statements in mind.

## Secretary Report - Darcy Winkel

- The PAC BBQ was well attending, we estimate about 400 were in attendance. This is similar numbers to last years BBQ. Any leftover meat was handed out the next day by Steve Newlove, and the kids were so excited to get a cold hotdog or hamburger patty. The total cost of the BBQ was $\$ 1363.41$, with $\$ 235$ in cash donations the night of the BBQ. The school split the cost of the BBQ with PAC, which left our bill to pay for the night at $\$ 564.21$.
- Darcy met with the staff at the first staff meeting of the school year to introduce PAC and our vision. There has been a PAC communications list posted in the staff room so staff can get ahold of us if needed.

## Treasurer Report - Tora Cameron

- At the beginning of August, we had $\$ 11,449$ in our operating account and $\$ 7852$ in our gaming account.
- At the October PAC meeting we will look at funding requests for the school.

## CPF Report - Andrea Nugent

- We will be giving the $\mathrm{FI} /$ Core French program $\$ 500$ to spend on resources as they need/ wish.
- Magazine fundraiser rolls out in early October. This is our main fundraiser and traditionally funds have been pretty good. Schools use these funds for guest artists, performers or events etc. Please support. :)

## Communications Report - Cindy Wezenbeck

- Cindy Wezenbeck and Natalie Salem will take care of the webpage, Facebook account and emailing that will need to be done for PAC.
- All messages sent to the gmail account will be for the PAC as a whole.

## Special Foods Events Coordinator - Lily Yee

- Our first PAC themed lunch will be on Tuesday, October 25, and it will be Halloween themed. PAC will be able to keep $100 \%$ of all money raised. Lily is open to any help offered and bring your ideas.
- Jolene asked if we will be taking pre-orders for food. It was suggested that if families pre-order their Halloween themed lunch, they will save $\$ 1.00$ off their order total. It was also suggested that we advertise our menus for our themed lunches.
- It was suggested to have something vegetarian offered to students.

## COPACS - Kelly Hoffman

- Nothing to report at this time, the first meeting of the school year will be on October $6^{\text {th }}$.

## Fundraising Committee - Chris Wakefield and Brian James

- Chris and Brian will look at fundraising efforts that bring our school community together. Some ideas they have are a movie night, car rally and a special fundraising event at our May celebration. They are open to all ideas.
