

# Need a tutor?

## Where?

Boys & Girls Club Victoria offers academic support after school through their **Rogers Raising the Grade (RRTG)** program. Free homework help is available to club members in the Education Centre of the Kaare Norgaard Club from 2:40 – 5:00 pm, Monday through Thursday. We are located at **1233 Clarke Road**.

## Who?

A certified and experienced teacher works in the Education Centre to provide tutoring after school. Other BGC Club staff and volunteers are also there for additional support. Participants are encouraged to bring any homework or assignments, and we'd be more than happy to help them. **Contact: Nichola Kach at [nkach@bgcvic.org](mailto:nkach@bgcvic.org) or 250 686 9117.**

## How?

There is a small yearly non-refundable membership fee required when registering your child with Boys & Girls Club Services. The membership fees are: \$25.00 per child or \$45.00 per family. If cost is an issue, subsidy applications are available at the Club.

\*Join us at Kaare Norgaard Club for a variety of social and recreational after school and evening programs. Each program also provides a tasty and nutritious snack. \*
