- [Apply here to become a host family!](#)

COVID-19

Until further notice, all students have to quarantine for 14 days upon their arrival in Canada. We have extensive safety protocols in place and all current international students have successfully completed their quarantine.

We welcome both families who can facilitate the quarantine and families who can't. We strictly follow all requirements, guidelines and protocols from the Federal and Provincial Government at all times.

Build lasting relationships and help give a young person the experience of a lifetime!
