

In today's age of internet chat rooms, online forums and social networking sites, people are able to interact online more easily than ever before. These circumstances provide an ideal environment for predators to communicate with and victimize vulnerable children and youth.

**Date:** February 22, 2017

**Time:** 7:00-9:00 pm

**Location:** S J Willis

Auditorium - 923 Topaz Ave

**Cost:** Free

**Who should attend:** Parents with children grades 5-12, educators, counsellors, other interested adults

**Registration:** <https://adolescentsexualbehaviour.eventbrite.com>

Children of the Street Society of Vancouver have been delivering workshops that empower students with knowledge on the issue of sexual exploitation and tools for healthy, safe relationships for the past 18 years. However they thought it would be great if the adults dealing with children on a daily basis could experience the workshops as well. The highly skilled and personable workshop facilitators have a unique ability to address challenging content while maintaining a fun workshop environment!

Hosted by Island Health in partnership with SD 61
