

Spaces are available for youth aged 13 – 18 to participate a Learning Loss Group Program

Learning Through Loss provides a free support group for youth aged 13 – 18 experiencing loss including: divorce; death or loss of a family member, friend or pet; illness; moving to a new home or community; abuse; addictions; etc. The **Learning Loss Group Program** has been offered since 1988 and is funded through public and private donations. A qualified counsellor facilitates the Group Programs.

Referrals can be made by anyone. Our Registered Clinical Counsellor receives all referrals and will contact the prospective youth to complete the screening and intake process. A maximum of ten participants meet for sessions in a confidential and supportive setting to learn about healthy grieving and healing. If one group is full, interested youth will be put on a waitlist.

Requirements and responsibilities for acceptance into the program:

- Youth aged 13 – 18 who reside within School Districts 61, 62, and 63
- Voluntary participation and commitment to attending the eight-week program
- Participants are responsible for transportation to and from each session
- Participants are to attend each session not under the influence of alcohol and other drugs

Past participants have said, "It's an awesome place to share with people your own age, who understand what you are dealing with."
