

Bayside Middle School Plan

2016-17

School Goal Statement: To improve student achievement (specifically numeracy and literacy) by increasing student levels of engagement by focusing on Thinking Classroom strategies.

1. **Rationale:** Focus is research based, providing a coherent approach to respond to a complex educational system.
2. **Strategies:**
 - a. **Taking Action:**
 - i. Warren workshop June 25th
 - ii. POSR alignment by grade, Librarian and Learning Service rep (strengthen teacher leadership)
 - iii. Collaborative planning: Sharing progress of strategies (ongoing bi-weekly professional dialogue)
 - b. **Checking/Results:**
 - i. Tracking all students with a focus on our most vulnerable learners academics (literacy and numeracy specifically).
 - ii. Report Card data: We will review data after each reporting cycle to determine the effectiveness of our strategies and if necessary adjust them to meet emerging needs.
 - iii. Enriched SENCOTEN Language program for Grade 6 students.
