

HOTEL ETIQUETTE AND BALCONY WAIVER

Dear Group Leader,

Thank you for choosing this hotel as your home base while you are participating in the Con Brio Music Festival. We are a full-service hotel and ready to take care of all your needs. We trust that your stay with us will be comfortable.

To ensure the safety and comfort of your group, we ask that you review the following with all registered guests of your group.

- Some rooms may have balcony doors which will not be bolted due to fire regulations however students are NOT permitted on balconies. Please advise your students that balconies are off limits.
- The group is to respect the privacy of other guests of the hotel.
- No running. No shouting. No slamming doors. Noise complaints from other hotel guests may result in extra charges.
- Horseplay in elevators may cause elevator breakdowns and will result in charges to your school. Please allow other guests to leave the elevator before entering.
- No pajamas or bare feet in the public areas (hallways, lobby or restaurants)
- Destructive behavior or use of drugs or alcohol is prohibited.
- As a matter of common courtesy to the housekeeping staff, please put your trash including food wrappers in the waste baskets every time you leave your room.
- The group leader is to maintain control of the group at all times.
- Please try to keep noise levels down, both in your rooms and public spaces. The rule of thumb is as follows: Don't make any noise *outside* the hotel's guest rooms that can be heard inside the guest rooms, and don't make any noise *inside* your room that can be heard outside (in the hallways or adjacent rooms).

In an effort to ensure that all participants at the festival enjoy and benefit from the experience, Con Brio requests that all students and directors discuss the expectations pertaining to behavior during your stay at the hotel.

Thank you for the opportunity to host the Con Brio Music Festival and your understanding. Enjoy your stay and please sign below as acknowledgement of the above conditions.
