Historical Fiction Fact Sheet 2

Delve into research to find the place where historical fiction meets historical fact!

Use the information you listed from the novel on the first fact sheet to complete this task.

Research sources may include: textbooks, non-fiction books, Internet websites encyclopedias, atlases, videos, DVDs, magazines, knowledgeable adults, etc.

Criteria:

- Minimum of six (6) points required in each section
- Use point form
- Use *at least* three (4) sources for verification; a minimum of two (2) sources must be books
- Use the research record provided to list your sources, and create a bibliography from it (bibliography format will be covered before the project's due date)

Information found in the novel I believe to be true:	Evidence found in my research:	Source:

Information found in the novel I believe to be true:	Evidence found in my research:	Source:

Important information found in the novel I found in novel which I found no evidence of in my research – why I think I couldn't find evidence:	Important information found in my research which wasn't mentioned in the novel, and why I think this is so:	Source:
