

## ACTIVITY SHEET 3-2

### INFLUENCE OF GEOGRAPHY ON CHINESE CIVILIZATION

---

Using the information from Figures 3-1 and 3-2 (page 75) or an atlas, state how each factor influenced the development of Chinese civilization (the people's way of life).

<b>Physical feature</b>	<b>Influence on the development of civilization</b>
Rivers	
Mountains	
Deserts	
Bodies of water	
Climate	

How does isolation affect cultural development?
