June 16, 2022

Dear Parents and Guardians,

We are excited to invite our grade 8 students to the Grade 8 Farewell Event.

What: Backyard Celebration

Where: Centennial Park,

When: June 27th from 11:00-2:00pm.

Transportation: Buses will transport students to and from the event from Bayside Middle School.

As Grade 8 students transition to Stelly's we feel it is important to recognize them as a group and create an opportunity for them to come together and celebrate their three years at Bayside.

A huge thank you goes out to the PAC and parent volunteers who have worked to create an exciting opportunity for our students.

The celebration is a backyard BBQ theme. Students will have free access to a variety of inflatables, backyard games, beach volleyball, spikeball and a range of other outdoor games. Lunch will be provided for students and water will be supplied throughout the day. There will be no cost for students.

Please ensure your child is dressed for the weather and prepared for an active day.

Students will be given boundaries and will not be allowed in the forest surrounding Centennial. There is a large number of parent supervisors and staff that will be present to ensure students are following expectations.

Please complete the attached permission form by Friday, June 24th.

Thank you,

Kim Graves
